

# Petrochemical Manufacturing

## Ohio River Valley

### Technology

- ▲ Paint and Coating
- ▲ Petrochemical Manufacturing
- ▲ Plastic Product Manufacturing
- Ethane Cracker
- Fertilizer
- Methanol Plant
- Ohio River

The ethane crackers in this map are in different stages:  
 -In PA, the facility is in construction  
 -In OH, the facility is in permitting phase; a final decision has not been made  
 -In WV (farthest South), the facility is highly uncertain
